WOMEN OF PASSAIC TRAP SALOON MEN IN 'DOPE' SCANDAL

Two Teuton-Born Liquor Dealers Arrested for Selling Whiskey to Children.

William Polonko, a native of Hungary, who has a saloon at No. 126 Second Street, Passaic, and Abraham Engler, born in Austria, who keep a saloon at No. 182 Third Street, in the same town, were arraigned to-day in the Passaic Police Court charged with selling liquor to minors.

The arrest of the saloon keepers was caused by three women of Passaic interested in child welfare and members of the Monday Afternoon Club. They are Mrs. I. W. Sylvester, a member of the Passaic Board of Education; Mrs. J. B. Fitchette and Mrs. Robert Yatta, who is Assistant School Superintendent.

The trio yesterday afternoon sent ten-year-old Andrew Pylasky and eleven-year-old Annie Bizak into the saloons to buy whiskey, and each returned with half a pint. The women went into the saloons, showed their evidence and arrested the men, who refused to accompany them to the police station. The men were in court this morning, having been arrested

meanwhile by a policeman. "Chicory"—that is one explanation of why so many Passaic school children have been going to school "doped," Truant Officer Herman F. Weber said to-day. He learned that one of the old world customs brought by parents of many children was drinking a beverage made from chicory. He tried some of the chicory "and went home and slept like a horse."

But this has not pacified Passaic in view of the revelations made by Miss Alma L. Smith, Principal of Public School No. 2, that more than 200 pupils, both boys and girls, under fourteen years of age, out of an enrollment of 800, appeared in school under the influence of liquor and drugs. Miss Smith has obtained from 200 of these children details of how they have been able to buy liquor in east

side saloons for their parents; how many had bought from druggists an intoxicant called "white whiskey," which is said by chemists to contain 44 per cent. grain alcohol and the rest ether. "Firearms and cartridges are even sold to the children," Miss Smith said. "On one occasion we seized a suitcase full of revolvers and bullets."

Grand Rally to Close Bazaar.

Three Armored Cruisers to Be Built.
SEATTLE, Wash., Dec. 4.—Announcement that the Todd Dry Dock and Construction Company of Seattle would shortly begin construction of three armored cruisers for the United States Navy was made here to-day by William H. Todd of New York, head of the company.

HARVARD MAKES ENTRANCE EASIER

Law School Will Temporarily Admit Those With Three Year College Record.

CAMBRIDGE, Mass., Dec. 4.—Harvard's law faculty has temporarily lowered the bars for admission to that school for members of the military and naval services of the United States or her allies.

Heretofore only holders of degrees from approved colleges were admitted to the Law School. Under the new order of things a certificate of three years' satisfactory work at an approved college, and evidence of thorough or honorable discharge is all that is necessary.

This will apply only to the special second term of the school which will start Feb. 3, and continue through Aug. 30.
